

Friends of VOP-

New Sprinkler System Installed on Oak Leaf Common Area

We have installed a new sprinkler system on Oak Leaf and have had new grass installed (pie shape area). This will be the foundation of what we hope will be an area to be enjoyed by all. Future plans to place perhaps a few park benches- we would LOVE your input how we can make the most of this area.

Detention Pond

The aerator has been repaired and is operational. We also hired a local fishery company to treat the pond for algae and killing mosquitoes. Monthly maintenance will be necessary. We are asking residents on Burr Oak Ct. to help with that by placing repellent biscuits in the pond (HOA will pay for the biscuits). If you are interested in helping, please contact Jeff Allred at Riv63@att.net New fence will be erected soon.

Upgrade to Website

The new changes to our website at www.vophoa.net are almost complete so keep checking back from time to time. THE best way for us to **stay connected** to you the quickest way possible is via email. Again, if we do not have your email, please go to our website, click on "Board of Directors" and send us an email stating your name and address. We will get you added to the list (which is confidential). We have about 62% in the neighborhood on file so far. Ask your neighbor if they have signed up for newsletters and stay informed.

It is our privilege to serve you! We hope everyone has a safe and enjoyable summer!
