NEW Website- sign up for Newsletters

We are pleased to announce our new website at www.vophoa.com .

David and Yvette Simmons have dedicated a lot of their time to bring this to our community and we are very thankful for their efforts. Take advantage of the classified section. If you have a recommendation of a contractor (electrical, painter, plumber, carpenter etc) , share that with the community. And as always, all the HOA forms such as bylaws, covenants and request for modification can be found there.

NEW Privacy Fence

All-Texas Fence did a great job installing our new privacy fence by the detention pond on Burr Oak. The 8' fence is made of western cedar, stained and treated and we had steel poles installed on 6' centers to give us years of service.

New Positions Opening for Board of Directors

The board will be taking off the rest of the summer and will meet again in September. Please be thinking about serving on the board as the new elections and new positions will be open this coming October. Contact the board if you have any questions and if you are interested in serving.

It is our privilege to serve you! We hope everyone has a safe and enjoyable summer!
